32" BLACK BRASS

AZIMUTH

Molten glass, cast around a open core, organically flows and twists as it coalesces into a solid. Bubbles and flow lines are completely unique to each casting and may vary significantly. Central metal ring supports glass and holds LEDs.

26" and 32" Diameter x 4" Tall. Approx 50lb / 80lb.
Black Brass (shown) / Brushed Brass / Brush Nickel
/ Antique Brass

2700K 95+ CRI LED, Dimmable Drivers (ELV) 120V
Input, 40W

Central Aircraft Cable with adjustable height,
8' max. Suspended from a 5"x2" Canopy with
integral driver.
